**SUMMER THIS SUMMER
IN COLORADO**

Many people put aside all thought of an outing in Colorado because they are accustomed to consider this greatest of American playgrounds as one of those impossible things beyond their means. Time was when a visit to the "top of the Continent" was a great luxury, as high in price as in altitude, but not so today.

You can spend the Summer or a part of the Summer in Colorado and live as reasonably as you do at home, and the quick service and low tourist and excursion rates afforded via Rock Island lines bring the Rockies within your easy reach

Our Booklets and Folders give the whole story. Write today.

COMMON JOBS.

Hal! Hal! Haw! "Sium Jim" you had better take that medicine "Ma" give you instead of trying to give it to me, for it's too weak to have any effect on me. I don't think the correspondence are writing for my benefit. I am just playing critic.

Health of this community is very good.

No! "Starlight" I was not raised in a nest of thistles, but was raised in a nest of cockle burs. Come again your piece was fine.

Hello Katydid. Come vance more. The cantaloupe crop is alright. There is plenty of vines, but no cantaloupes. I guess the vines grew so fast they wore the cantaloupes out dragging them over the ground.

If I don't get some pretty girl to talk to I will plow cantaloupes all day Sunday.

The rain Friday helped the crops out.

Strawberry time is about over.
